Subject No. 321.

A nâla manegar for the Kadaba tank.

Mr. Ramanuja Iyengar.

Summary of Representation.—The present peon, who is deputed to supervise the distribution of water of the tank, does not well regulate it being subordinate to the shekdar and other village servants of the place. An independent nala manegar may be sanctioned for regulating the supply of water in the tank.

Reply of Government.—*Vide* General Subject No. 118.

Subject No. 322.

Construction of silt dam for the eastern channel of the Kadaba tank.

Mr. Ramanuja Iyengar.

Summary of Representation.—A silt dam is necessary for the eastern channel of the Kadaba tank to prevent the deposit of sand from forest torrents which empty themselves into the channel.

Reply of Government.—Noted.

Subject No. 323.

Raising the waste weir of the Rampura tank and repairing its leaky sluice.

Mr. Ramanuja Iyengar.

Summary of Representation.—The waste weir of Rampura tank may be raised and its leaky sluice repaired.

Reply of Government.—The sluice is said to be leaky and requires attention. The matter will be referred to the Chief Engineer and Deputy Commissioner for investigation.

Subject No. 324.

Opening up of a road from Amirtur to Huliyurdurga.

Mr. Singlachar.

Summary of Representation.—A road from Amritur to Huliyurdurga may be opened to facilitate trade and to contribute to the convenience of travellers.

Reply of Government.—For District Board's consideration.

Subject No. 325.

Raising of an ane across the Shimsha river.

Mr. Singlachar.

Summary of Representation.—The ane across the Shimsha river near Chandanahalli breached 30 years ago and only a part of it is now in good repair. If the same is thoroughly repaired and raised by 3 feet, an extent of 1,500 acres will be brought under cultivation. As the raising of this "Ane" is useful to raiyats and profitable to Government early sanction is solicited in the matter.

Reply of Government.—Alternative projects are being prepared. Will be considered after completion.

HASSAN DISTRICT.

Subject No. 326.

Opening a dispensary at Grama.

Mr. Varada Iyengar.

Summary of Representation.—Grama is the biggest village in the Hassan taluk and including the suburbs has a population of nearly 6,000. At present an Hospital Assistant from Hassan visits the place once a week. The benefit derived is in fact very little. A dispensary may therefore be opened for treating the patients daily.

Reply of Government.—A Vydyasala, it is said, is proposed to be established and will be favorably considered.

Subject No. 327.

Taking timber for agricultural purposes from the Hirikalgudda State Forest.

Mr. Balavanta Rao, Arsikere.

Summary of Representation.—In the District Forests of Arsikere taluk, there is no timber available for agricultural implements and hence much difficulty is caused to the raiyats. It is requested that Government be pleased to allow the raiyats to take timber for the said purpose from the Hirikalgudda State Forest.
